Form and Content of Applications

Prospective and returning applicants will begin the process by completing an online eligibility survey. If an organization is found to be eligible, they will be provided with an online link to a letter of inquiry submission form. This form will provide the Foundation with concise information about the organization, as well as outlining the aims and specific needs of the grant request.

If upon review of the letter of inquiry, the grant request is found to be a fit with the Foundation's mission and funding priorities, the applicant will be provided with an application along with an invitation to apply.

For any additional questions regarding the Foundation's letter of inquiry or grant application process the grantees are welcome to contact Sarah

Estimated Annual Income ("EAI") and Estimated Yield ("EY") calculations are for informational purposes only and are derived from information provided by outside parties. Schwab cannot guarantee the accuracy of such information. Since the interest and dividends are subject to change at any time, they should not be relied upon exclusively for making investment decisions. The actual income and yield might be lower or higher than the estimated amounts. EY is based upon EAI and the current price of the security and will fluctuate. For certain types of securities, the calculations could include a return of principal or capital gains in which case EAI and EY would be overstated. EY and EAI are not promptly updated to reflect when an issuer has missed a regular payment or announced changes to future payments, in which case EAI and EY will continue to display at a prior rate.
